

## Recommended Breeder List

The following is a list of breeders whom clients or friends of PAWS Training Centers has worked with in the past. Each individual dog is different and there is no guarantee, from neither the breeder or PAWS Training Centers, that any dog will continue to grow with an ideal temperament or trainability.

### Alaskan Klee Kai:

**Barkor's Alaskan Klee Kai** (Jackson, NJ) - <http://www.barkorakk.com> - Not a day goes by that I don't appreciate or cherish my dogs individually. We breed for overall health, quality, and temperament, not for coat or eye color. We are an ongoing full participant in AKK Liver Enzyme, Factor VII and thyroid testing.

**Settle's Alaskan Klee Kai** (Ohio) - <http://www.youralaskankleekai.com/> - Owner and very small breeder of rare Alaskan Klee Kai dogs. Producing very few litters. Buyers will be screened for life long loving homes. Will ship at buyer's expense.

---

### Boxers:

**Hawkvalley Boxers** (Denver, PA) - [www.hawkvalleyboxers.com/](http://www.hawkvalleyboxers.com/) - 20+ years specializing in German Champion lined Boxers (brindle and fawn), 5 Star Breeders Award. All puppies are vet checked, dew claws removed, tails docked, health guaranteed, dewormed and vaccinated.

---

### German Shepherds:

**Eichenluft Working German Shepherds** (Carlisle, PA) - <http://workinggermanshepherd.com/> - We have followed the German SV rules and guidelines for responsible breeding since 1994. Puppies are highly intelligent, trainable, healthy, with correct structure, pigment and temperament.

---

### Goldendoodles and Labradoodles:

**Fox Creek Farm** (Berkeley Springs, WV) - [www.goldendoodles.net](http://www.goldendoodles.net) - Fox Creek Farm is the creator of the mini Goldendoodle and the founder of the Goldendoodle Association of North America, the only registry and kennel club for the Goldendoodle. We are leading the way in the development of the multigen Goldendoodle keeping health and temperament the top priorities.

**Golden Xpress Labradoodles** (Eagle Creek, OR) - [www.goldenxpresslabradoodles.com](http://www.goldenxpresslabradoodles.com) - We have been raising Australian Labradoodles since 2002 they make wonderful service and therapy dogs as well as loyal family companions. Our loveable Labradoodles are easygoing, smart and easy to train with their pleasing disposition. All of our dogs are family members. Puppies have a 3 year health guarantee, current on shots, worming and they are microchipped.

The following is a list of breeders whom clients or friends of PAWS Training Centers has worked with in the past. Each individual dog is different and there is no guarantee, from neither the breeder or PAWS Training Centers, that any dog will continue to grow with an ideal temperament or trainability.

**Hilltop Pups** (Jasper, IN) - <http://hilltoppups.net/>

**Oregon Coast Labradoodles** (Eugene, OR) – Facebook: Oregon Coast Labradoodles - We are a small operation which raises quality, healthy, happy dogs. Our parent dogs are valued family members who get all the love, attention, training and great life experiences all dogs deserve. Parents are tested for genetic problems before breeding to ensure pups are not predisposed to any genetic problems. Our line has produced many therapy, service, hunting, and valued family members.

**Pine Lodge Labradoodles** (Mt. Hood, OR) - <http://pinelodgelabradoodles.com> - Pine Lodge Labradoodles is located in the foothills of Mt. Hood, Oregon. We are a family business and love having our dogs in our home. Great care is taken in choosing our breeding dogs so that our puppies will not only be allergy-friendly, but will have sound health and character. Many of our puppies grow up to be service or therapy dogs, while others are wonderful family pets.

**Poodles & Doodles** (Campobello, SC) - [www.pets4you.com/pages/judisdoodles](http://www.pets4you.com/pages/judisdoodles) - With over 50 years of experience, Poodles & Doodles is a deep hearted family business specializing in non-shedding dogs for service dog training. All dogs come with a 1 year health guarantee and references are available.

**Yankee Doodles & Poodles** (Avella, PA) - <http://www.yankeedoodlesandpoodles.com/> - We are a small Goldendoodle breeder located in Western Pennsylvania. We raise all of our pups in the house. We offer quality pups from health tested parents all of whom are well adjusted family pets.

---

### **Golden Retrievers:**

**Carolina Goldens** (Rutherfordton, NC) - [www.loyalgoldenretrievers.com](http://www.loyalgoldenretrievers.com) - We are a full-service canine breeding facility. We specialize in breeding Golden Retrievers for confirmation and health, but most of all for quiet temperament. We sell our own AKC-registered puppies for service, therapy, and personal pets, and we also provide stud services. Not only are our dogs ideal for sport or assistance animals, they make wonderful lifetime family additions.

**Cooperfield's Goldens** (St. Pauls, NC) - <http://www.copperfieldsgoldens.com> - Health tested for hips, elbow, heart and eyes. Our puppies are raised in our home with our family and children for proper socialization. Vet examined and current on vaccine's / dewormings. Our puppies are bred with health and temperament being the top priority.

## **Recommended Breeder List**

The following is a list of breeders whom clients or friends of PAWS Training Centers has worked with in the past. Each individual dog is different and there is no guarantee, from neither the breeder or PAWS Training Centers, that any dog will continue to grow with an ideal temperament or trainability.

**Devota's Goldens** (Macon, GA) - <http://devotagoldens.blogspot.com/> - We are committed to raising excellent Golden Retrievers. Our puppies are reared in our home, participate in Early Neurological Stimulation, Socialization, Temperament Testing, and Potty, Crate, and Clicker Training. All my puppies are vet checked twice, dewormed 3-4 times, and receive their vaccines from my veterinarian all before going home at 8 weeks.

**Dry Run Retrievers** (Blacksburg, VA) - <http://www.dryrunretrievers.com/> - We have had over 20 years of experience raising and breeding dogs. We pride ourselves in raising healthy puppies and adult dogs too. Genetics and health are always a factor in every decision we make before breeding our dogs. All of our puppies are dewormed and have their shots up to date when their new owner takes them home.

**Eagleridge Golden Retrievers** (Polk City, FL) - <http://www.eagleridgegoldenretrievers.com/> - Eagleridge Golden Retrievers will give you everything you need in a dog: love, character and health. Our dogs are of champion blood lines with generations of excellent health testing. Pair that with a kind, friendly demeanor, and our retrievers are sure to bring love and happiness into any home.

**Eberly Golden Retrievers** (Okemos, MI) - <http://www.angelfire.com/hi5/goldenpups/> - I have been breeding and showing Golden Retrievers and doing therapy work for the past 30 years. My goal is to have healthy well-tempered Golden Retrievers.

**Golden Meadows** (Moorpark, CA) - <http://www.goldenmeadowsretrievers.com/> - We have been breeding top quality Golden Retriever puppies for over 21 years. All of our Dogs come from excellent pedigrees with champion lines, sweet temperaments and great looks. We have a number of Golden Retriever puppies that have become working therapy & service dogs.

**Golden Retrievers of Camelot House** (Statesville, NC) - <http://www.camelothouse.com> - Golden Retrievers of Camelot House has a quality breeding program in accordance with the guidelines of the GRCA Breeder Code of Ethics. Setting a good foundation is of prime importance to us. Our pups are in homes as pets, therapy dogs and service dogs.

**Millstones Goldens** (Clarkston, MI) - [www.millstonesgolden.com](http://www.millstonesgolden.com) - At Millstones Golden, we are proud hobby breeders who have produced almost 70 service dog and many Therapy dogs over the past years. We look forward to continue to offer our dogs to people who need quality bred Golden Retrievers, for use as service dogs.

## Recommended Breeder List

The following is a list of breeders whom clients or friends of PAWS Training Centers has worked with in the past. Each individual dog is different and there is no guarantee, from neither the breeder or PAWS Training Centers, that any dog will continue to grow with an ideal temperament or trainability.

Star Breeders Award. All puppies are vet checked, dew claws removed, health guaranteed, dewormed and vaccinated.

**Nipntick Labradors** (Woodinville, WA) - <http://www.nipntucklabs.com/> - We have been breeding and showing Labradors since 1984. Becky began showing in obedience as well as the conformations ring, winning a number of High In Trials and putting multiple Utility titles on dogs. She has since bred nearly 30 AKC Champions.

**Phoenix Assistance Dogs** (Lititz, PA) - [www.padcentral.org](http://www.padcentral.org) - Phoenix Assistance Dogs of Central PA has been breeding dogs for assistance and therapy work since 2000. Breeds include Labrador Retrievers, Golden Retrievers, and Standard Poodles. Each breeding dog has multi-generation health clearances including but not limited to hips, elbows, thyroid and eyes. Breed specific genetic conditions are screened too.

**Treasure Keeper Labradors** (Garden View, PA) - <http://treasurekeeperlabradors.com> - Responsible breeder of healthy, quality, English Labrador retrievers for show, service, field, or companionship. Health Clearanced parents. Even tempered, intelligent, and reliable puppies, suited for any job requiring a Labrador. Focused on a positive connection with our puppy families and supporting them at every stage of their dog's life.

---

### **Nova Scotia Duck Tolling Retriever:**

**Indy Tollers** (Fountaintown, IN) - [www.facebook.com/Indy-Tollers-152451998231448/timeline/](http://www.facebook.com/Indy-Tollers-152451998231448/timeline/) - Tollers are the smallest of the retrievers recognized by AKC. We breed our dogs for good temperament and excellent health. All of our breeding dogs are extensively genetically tested to ensure soundness. We show our dogs in conformation, obedience and rally and have earned many titles, especially in the obedience ring.

---

### **Shetland Sheepdog:**

**Maplecove Shetland Sheepdogs** (Hockessin, DE) - <http://maplecove.com> - I am a small dedicated breeder who does not take breeding lightly. I health test the parents of each litter to make sure they are clear of any known/hereditary diseases specific to my breed, research for months and even years for the right stud dogs, and continuously add new exercises and stimuli to young puppies to create stable temperaments as they grow.
